Open Work Celebration

Excellence is everywhere at Copley!

Year 6 have done an excellent job this week and shown great engagement with the initial sessions of our enhanced revision programme. I have been very impressed with them all. We have even had some children asking if they can do extra! So many great scores in their assessments too! I will have a hard task ahead of me when deciding who will receive which awards at our Graduation Ceremony in July.

There has been much excitement in school around our new display in the central library area of school. We now have another lovely area to enjoy a good book!

We are looking to recruit Reading Role Models!

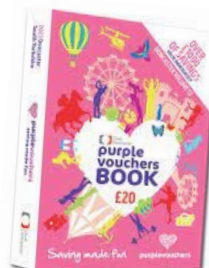

Do you love reading? Could you regularly spare some of your time to share your love of books? Would you like to volunteer at Copley? If so, we can't wait to hear from you! Please register your interest by contacting the school office with your name and availability. Full training will be provided so that you are equipped to support pupils with reading in school.

At the end of this half term, we will be saying farewell to Mrs Elkington. She has been a highly respected member of the Copley community and will be missed very much by staff and pupils alike. I know you will join me in wishing her the very best for the future.

Purple Vouchers Books are now available to buy via ParentPay for £20. For every book sold, Copley will receive £10! The books are jam-packed with discounts on days out and savings with businesses in the local area.

Thank you for supporting the

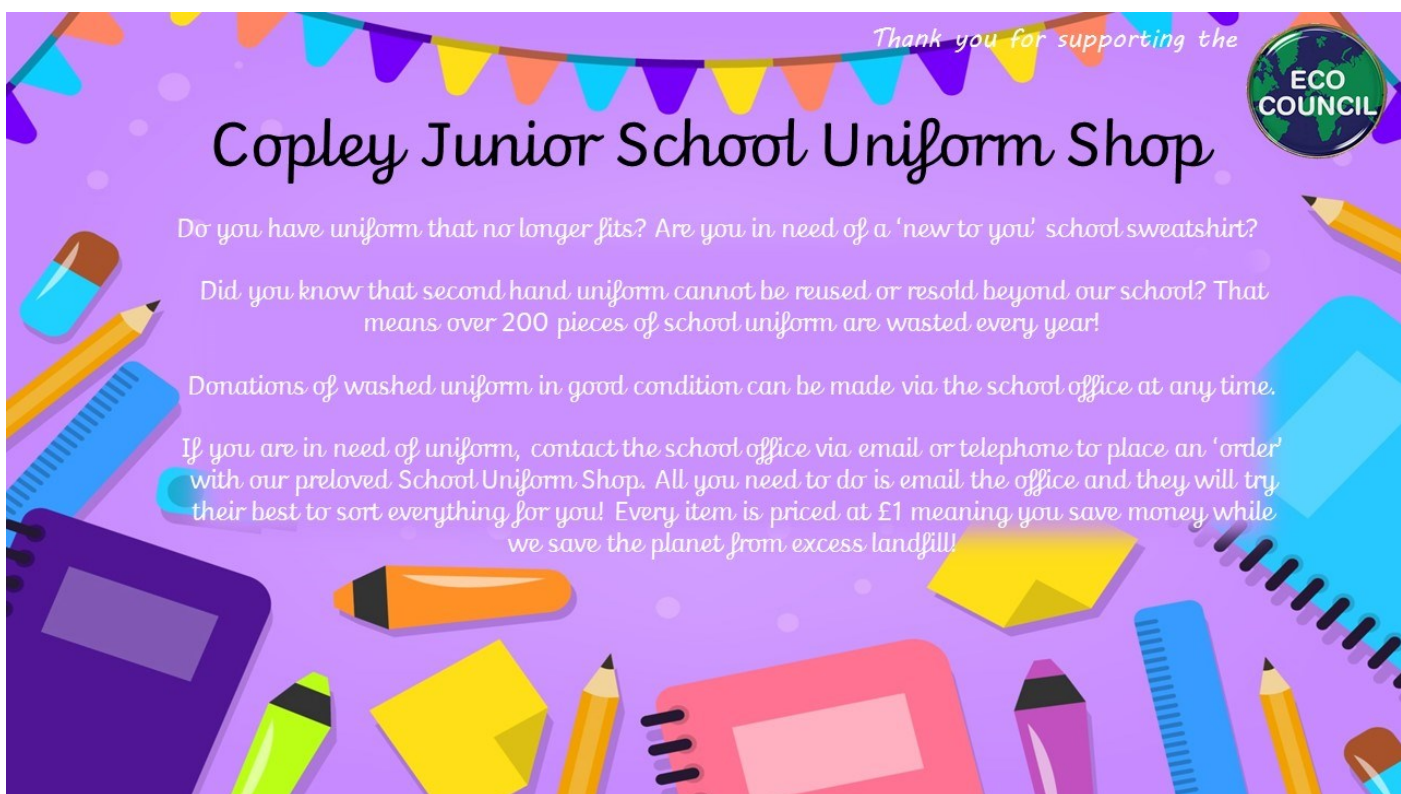

Copley Junior School Uniform Shop

Do you have uniform that no longer fits? Are you in need of a 'new to you' school sweatshirt?

Did you know that second hand uniform cannot be reused or resold beyond our school? That means over 200 pieces of school uniform are wasted every year!

Donations of washed uniform in good condition can be made via the school office at any time.

If you are in need of uniform, contact the school office via email or telephone to place an 'order' with our preloved School Uniform Shop. All you need to do is email the office and they will try their best to sort everything for you! Every item is priced at £1 meaning you save money while we save the planet from excess landfill!
