Brrrr! It may have been cold outside but we've been on fire at Copley!

This week, we have seen some particularly frosty weather with temperatures dropping to minus figures overnight. The playground and school field have glistened with the frost and our site maintenance team have been on hand to ensure our paths are gritted and safe for everyone to use. A big thank you to all of our community for ensuring that children were wearing coats, hats and gloves so that they were warm enough

to go outside and enjoy some fresh air—even the adults came prepared this week with hats and gloves! It was certainly chilly on the school gate.

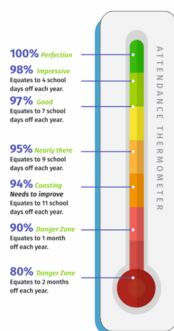

Meanwhile, inside the building, we have seen yet more fantastic work from pupils in all year groups. I was particularly impressed with Year 3's Iron Man artwork and Year 4's manipulation of images in computing. Year 5 created a beautiful card for Miss Passant and Year 6 House Leaders have already started preparing for their Easter competitions. Year 5 & 6 Athletics team demonstrated excellent sportsmanship at the Dearne Valley Athletics event yesterday—well done! The cold won't stop us learning at Copley!

Our focus for curriculum development this half term is Maths. Children have been talking about what they love about maths and they have been thinking about how we could make it even better. We would love to get more parents and carers involved in completing maths activities at home with pupils. Look out for more info coming soon!

STRIKE ACTION

You will have seen news of potential strike action in the media. Further information will be shared as soon as possible.

SHHH! Special Project

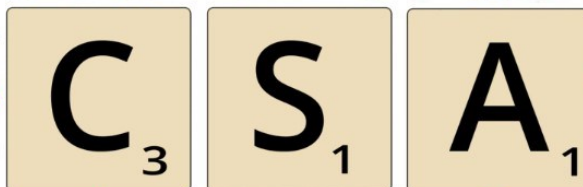

We are collecting clean, glass jars with no labels for an upcoming craft project in school.

Can you help by sending your glass jars (no lids required) to the school office?

We need enough jars for the whole school by Friday 3rd March
