## Proud to be Copley!

Every child has done an exceptional job this week of supporting each other and demonstrating our Copley value of excellence. While Year 6 seized the opportunity to shine and demonstrate their knowledge and skills during the SATs tests this week, the rest of school did an excellent job of limiting noise to prevent distraction. I even heard some of our younger pupils wishing Year 6 good luck and saying well done!

As a reward, Year 6 participated in the Copley tradition of a visit to the park with a much needed energy boost from the 'Proud Box'. We couldn't be prouder of our Year 6 cohort for 2023 and look forward to all of the events we have planned over the coming weeks.

**It has been confirmed that the Community Gospel that we contributed to has arrived with the Royal Chaplain and will be used in services this week. The gospel will be shared with the King so that he is able to admire everyone's work!**

We are excited to announce that we are working towards accredited status for Online Safety at Copley. Part of the accreditation involves parents accessing guidance and training about keeping children safe online. Please let us know if you would like log in details to access the platform which offers a wealth of information, guidance and tips.
