Concert at CAS

**We've got Maths on our Minds!**

This week we have celebrated all things maths related with a review of our maths provision in school. External advisors visited school to talk to pupils, visit lessons and admire our work books. They were very impressed! Our favourite comment from one of the pupils when asked about

maths was 'I don't like maths, I love it!' We saw capacity and volume in Year 3, fractions in Year 4, positive and negative numbers in Year 5 and pie charts in Year 6. So much learning and so much fun!

Look out after half term for my next Maths Challenge!

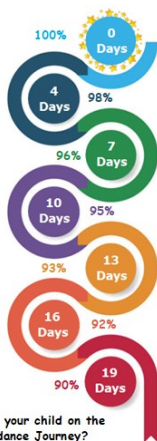

When we return to school after the holiday, pupils will take part in a 'Financial Maths Week' organised by Miss Hull, our maths subject leader, where they will be applying their knowledge and understanding to a range of real-life contexts. I have already had a sneak peak of what is in store for Year 5 and it looks great! I may even get involved myself.

You are invited to join us from 1pm for our annual Sports Day on Monday 12th June

Have a fabulous half-term holiday!

Don't forget that Copley is closed on Monday 5th June for Staff Training. We look forward to welcoming pupils back on **Tuesday 6th June**

Where is your child on the Attendance Journey?

## Whole School Weekly Attendance

Opal = 95.6%

Pearl = 89.6%

Aquamarine = 88.3%

Emerald = 86.4%

Diamond = 95.4%

Topaz = 90.8%

Jet = 93.3%

Amethyst = 97.5%
